CODE OF CONDUCT FOR PRINCIPAL

The principal is the academic and administrative head of the institution and works for the development of the institution.

1. The principal shall ensure the smooth conduction of academic activities, functioning of college as per the Anna University norms, and functioning of various committees.
2. To hold academic council meeting as for the norms.
3. The Principal shall be fair in his/her disciplinary actions for both staff, students and others.
4. The welfare of the students is the highest priority, and failing to provide adequate supervision on and off campus equates to total disregard for the position held.
5. The Principal must carry himself/herself with the highest integrity and avoid careless decisions that result in violations of the law.
6. To co-ordinate all the faculty, administrative authorities and supporting staff for their effective roles.
7. The principal shall closely monitor admission process in the college instructed by higher authorities.
8. The principal shall monitor various academic activities, curricular, co-curricular and extracurricular activities.
9. The institution maintenance cell shall work under the instruction of the principal
10. The Principal should empower all staff members and students to reach their maximum potential.
11. The principal should always be honest, fair, law-abiding, objective, supportive and protective even when the students don't want him to be.
