MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein called as the 'MOU') is entered into on this 22nd Day of January, Two Thousand Twenty-Five (22-01-2025), by and between **Dept. of ECE of M/s. J.N.N Institute of Engineering**, the **First Party** represented herein by its **Assistant Professor, Dr. Anand Kumar** (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

Active Infratel Private Limited, the **Second Party** represented herein by its Circle Head Bihar & Jharkhand State, **Er. Ashwini Rohit**, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors-in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as

[Signature]

Ashwini Rohit

'Parties' and individually as 'Party') as

WHEREAS:

- A) First Party is a Higher Educational Institution department named: **The Department of Electronic and Communication Engineering, J.N.N Institute of Engineering**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.
- C) The Parties intend to cooperate and focus their efforts on cooperation within area of Social Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **Active Infratel Private Limited** is a Private Company involved in telecom consultancy and offering man Power Workforce Solutions and Telecom Project rollouts for Telecom Sector Clients. It is also a leading supplier of resources to frontline Telecom companies in India.
- F) **Active Infratel Private Limited**- the Second Party is located at Earth Alpha 3rd Floor office no. 1 & 2, Near Nilambar Society, Vasanashayli Road, Vadodara, Gujarat, India.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The

Ashwini Rohit

Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial/social scenario meaningfully.
- 2.3 **Training:** The training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career.
- 2.4 **Research and Development:** Both Parties have agreed to carry out joint research activities in the fields of the development of telecommunication products, and work together on **students' training and internship, etc.**
- 2.5 **Guest Lectures:** The Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on telecommunication systems like BTS, MW and GSM trends, telecom tower installation and maintenance and other in-house requirements.
- 2.6 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training on telecommunication systems like BTS, MW and GSM and Standards in the telecommunication sector, and vice-versa.
- 2.7 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the programmes on the terms specified herein.
- 2.8 There is no financial commitment on the part of the **J.N.N Institute of**

Engineering, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Active Infratel Private Limited**, the Second Party, as the case may be, will take effective steps for the implementation of this MOU. Any act on the part of **Active Infratel Private Limited**, the Second Party after the termination of this Agreement by way of communication, correspondence, etc., shall not be construed as an extension of this MOU.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 5 DURATION OF MOU

- 5.1 This MOU shall remain effective from the date of execution until the end of the Three-year term (2025-2028). However, the same may also be amended, terminated, or extended by agreement. Any additions or deletions to this MoU can be carried out on mutually agreed terms and appended to this MoU to form an integral part of this MoU.

CLAUSE 6 RELATIONSHIP BETWEEN THE PARTIES

- 6.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.
- 6.2 Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party.

Ashwini Rohit

- 6.3 Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at the District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Chennai.

MEMORANDUM OF UNDERSTANDING FOR COLLABORATION

This Memorandum of Understanding ("MoU") is made and executed on this the 15th of March 2024 at Chennai by & between:

J.N.N Institute of Engineering (Autonomous) (hereinafter referred to as "JNN") Having its campus at #90, Ushaa Garden, Kannigaipair, Chennai Periyapalayam Highway, Tamil Nadu - 601 102. is affiliated to Anna University.

Statutory Alert:

1. The authenticity of this Stamp certificate should be verified at 'www.sholestamp.com' or using e-Stamp Mobile App of Stock Holding Corporation of India. Any discrepancy in the details on this Certificate and as available on the website / Mobile App renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

accredited institution running educational programs on-campus, offering degrees in Bachelors & Masters in engineering. The Institute presently has its campus at Chennai, of the **One Part**;

And

Chipware Technologies Private Limited (hereinafter referred to as "**CWT**"), a company incorporated under the Companies Act, 1956 having its registered office at N-44, Chipware House, 11th Cross, 9th B Main, LIC Colony, Jeevan Bima Nagar, Bangalore - 560075, India, represented by its authorized signatory Mr K Suresh Kumar, (which term shall, unless repugnant to the context or meaning thereof, mean and include its successors-in-interest and assigns) of the **OTHERPART**.

JNN and CWT are individually referred to as a "Party" and collectively as the "Parties".

WHEREAS:

- A. Chipware Technologies is a company registered under Companies act, and an MSME organization is engaged in the business of providing training, engineering services and staffing services in the VLSI and Board Design activities and providing VLSI Design tools in collaboration with Precision Innovation Inc; USA.
- B. JNN is an autonomous Institution working with a mission to advance knowledge and educate students in science, technology and other areas of scholarship that will best serve the nation and the world. Research is an integral and important part of JNN, having a pool of motivated intellectual manpower and sophisticated infrastructure. JNN also has been building partnerships between academia and industry so as to reduce the gap between the basic research and its application in development of marketable products.
- C. The Parties expressed their interest in collaboration for research especially in VLSI Design and Manufacturing activities, training modules and laboratory setups. The collaboration also aims at software and hardware development, student internships, faculty consultancy projects.

NOW, THEREFORE, THIS AGREEMENT WITNESSTH AS FOLLOWS:

1. Purpose

The purpose of this MOU is to establish a basis for discussing a framework of collaborative and joint R&D activities, especially pertaining to rolling out joint skill development initiatives for engineering, and recruiting JNN students during campus placement drive. Chipware has an MOU signed with AICTE in this domain.

2. Areas of collaboration

The priority areas of collaboration under this MOU are to initially include the following but not limited to:

- a) VLSI Design and Manufacturing activities :

Two handwritten signatures in green ink are present at the bottom right of the page. The first signature is a cursive 'S' followed by a horizontal line. The second signature is a cursive 'J' followed by a horizontal line.

JNN and CWT will jointly setup cloud based virtual desktop access to students wishing to enroll for various VLSI skill development programs. These virtual desktops will enable students from across the country to access the VLSI software available at JNN premises for educational and learning purposes. Also for manufacturing the activity will be sponsored by Chipware principals based on qualification of the project.

b) Learning & Development

CWT wishes to establish research collaboration with JNN in terms of technical support, technology transfer, technical information, etc. to address the challenges faced by respective parties in the VLSI Domain.

c) Campus Recruitments

CWT will facilitate training and placements for students of JNN in the 7th / 8th semesters. This program will be done by CWT without any guarantee on success. The students will be placed at OEM / Tier 1 companies based on skillsets.

The parties agree to jointly work out detailed plans of work, describing more specifically the activities to be carried out in respect of above collaboration areas.

3. Ownership of Intellectual Property

3.1 Parties shall have ownership over the Intellectual Property in the manner Described below;

- 3.1.1 Whenever an IP is created, solely or jointly by JNN and CWT, they will disclose to each other prior to filing the patents.
- 3.1.2 Any know-how, discovery or patentable invention exclusively developed by CWT, shall be the exclusive property of CWT. CWT shall be the sole owner such invention, discovery or development. CWT shall have the exclusive rights to apply for and obtain any patent in respect of such invention.
- 3.1.3 Any know-how, discovery or patentable invention exclusively developed by JNN, shall be the exclusive property of JNN. JNN shall be the sole owner of such invention, discovery or development. JNN shall have the exclusive rights to apply for and obtain any patent in respect of such invention. But if the project is selected by CWT principals for manufacturing then that IP would be made public for use by all students.
- 3.1.4 Any know-how, discovery or patentable invention, or ideas formulated or developed by JNN and CWT together, shall be jointly owned by JNN and CWT. Any patent in respect of inventions jointly owned by CWT and JNN, shall be applied for jointly and shall be recorded as a joint patent with the appropriate Control of patents.
- 3.1.5 Expenses of filing the patents will be borne by the institute filing for the patent. If the patent is to be filed jointly, the expenses will be shared equally.

Two handwritten signatures in green ink are present at the bottom right of the page. The first signature is a cursive 'JNN' and the second is a cursive 'CWT'.

- 3.1.6 CWT shall have the right to use the patent in its own facilities on a non-exclusive basis. CWT also has the right to use the patent to contract-manufacture at third parties' facilities, after getting the concurrence of JNN.
- 3.1.7 If the patent/discovery is licensed by JNN or CWT to third party/parties, the royalty /revenue paid by such party/parties for the use of the patent will be shared equally by JNN and CWT.

Further, CWT can have exclusive rights to these patents on payment of additional fee / royalty to JNN to be mutually agreed at a later date.

4. Confidentiality

Both the Parties agree to enter into a separate Non-Disclosure Agreement (NDA) to maintain confidentiality of the information that may be exchanged during the course of collaboration arising out of this MoU and further agreements in this respect.

5. Liaison Faculty

Each party will designate an individual to act as program liaison for this COLLABORATION. The liaison faculty will act as advisor in academic and logistical matters of this collaborative research. The liaison for Chipware Technologies Private Limited will be Mr. K Vijayan, Technical Manager, VLSI Physical Design.

Similarly the liaison for the JNN campus will be done regularly by Chipware.

6. Effective Period and Termination

This MOU will be effective by the Parties' respective duly authorized officers as of the date of the last signature of the Parties and shall be effective through for Three (3) years. This MOU may be terminated earlier by either Party upon Sixty (60) days' prior written notice to the other.

7. Non-binding Effect

Except Articles 3 (Confidentiality), 4 (Effective Period and Termination) and 5 (Non-binding Effect) and 6 (Dispute Resolution), this MOU does not create any legally binding obligations. The Parties understand and agree that no collaborative research begins until a separate agreement, such as a joint research agreement, is executed by the Parties. Neither Party warrants that such a separate agreement will be executed.

8. Dispute Resolution

- 8.1. The parties shall use their best endeavors to settle any dispute or claim arising out of or relating to the MoU, in subsequent agreements and their attachments thereto through amicable discussions. If not amicably settled within sixty (60) days of the dispute or claim arising, the same shall be exclusively referred to arbitration, which shall be conducted by an arbitrator in accordance with the rules and regulations of Arbitration and Conciliation Act, 1996 and any statutory amendment thereof.
- 8.2. The arbitration shall be conducted, by a panel of three (3) Arbitrators, one each shall be appointed by the respective Parties, and third arbitrator shall be appointed by the arbitrators nominated by the respective Parties. The arbitrators shall provide

Two handwritten signatures in green ink are visible at the bottom right of the page. The first signature is a cursive 'J. S. S.' and the second is a cursive 'K. Vijayan'.

their final decision, in accordance with the provisions of the Indian Arbitration & Conciliation Act, 1996 and any statutory amendment thereof.

8.3. The parties agree that the arbitration shall be conducted in English, and the place of Arbitration shall be Chennai / Bangalore.

8.4. The decision/award of the Arbitrators so appointed shall be final and binding upon the parties.

9. Jurisdiction

The jurisdiction for this MoU and subsequent agreements shall lie with the Courts in Chennai / Bangalore

10. Entire Agreement

This MoU constitutes the entire MoU of the parties with respect to the subject matter. This MoU may not be changed except in writing and when signed by both the parties. Any change in the scope of work covered by this MoU shall be discussed and agreed upon mutually, in writing.

11. Notices

Notices or other communications required to be given in implementing the MoU shall be in writing and may be delivered personally, by registered post or email to the address mentioned hereinabove. The dates on which notices shall be deemed to have been effectively given, shall be determined as effective date on the delivery.

12. Annexure

The MoU implications are enclosed in detail in the enclosed Annexure.

A handwritten signature in green ink, appearing to be 'H. S. Sankar', is written over a horizontal line.

IN WITNESS WHEREOF the Parties have signed the MoU the day and year written below on the two (2) sets, to be retained one by each party.

ANNEXURE

CWT will provide the following to JNN the following :

1. VLSI Design Tools with Linux operating System.
2. Sample Databases for students to understand the flow and practice
3. The Technology Libraries for 130nm and 180nm Manufacturing Process.
4. Manufacturing of Designs :
 - a) Free Shuttle is qualified by our principals for Manufacturing Depending on how interesting the project is. IPs during this Phase will be made public.
 - b) Paid Shuttle if JNN prefers to keep all IPs of the project with JNN
 - c) If the project needs to be done on urgent basis then Paid shuttle will be applicable
5. VLSI Training to Faculty - Online and offline.
6. VLSI Training to students - Online and offline.
7. For offline Training Travelling and boarding expenses to be borne by JNN.
8. Support on tools as and when needed any queries will be addressed within the same day and bugs, if any will be fixed within an agreed stipulated time.
9. Support on IP Development at an extra cost
10. Live Project related support at an extra cost

For the above activities JNN has to make the following payments each Quarter to Chipware Technologies :

1. Fee for Training activity
2. Fee for Support activity
3. Fee for project activity

This fee for the same will be decided and paid on a quarterly basis.

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Agreement

Under the National Skill Qualification Framework (NSQF) of the All India Council for Technical Education

This Agreement is entered into and executed on this 14.02.2023 at J.N.N Institute of Engineering (Autonomous), Kannigaipair.

By and Between J.N.N Institute of Engineering (Autonomous) offering Technical Education Centre represented by its Vice Chairman Naveen Jayachandran which

expression shall, where the context so admits, be deemed to include its successors, executors and administrators of the **ONE PART AND**

VLSI Mentors a Company registered under the Company Act, 1956, through its **KUMAR K, Chief Mentor – Training** having its registered Office at which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include their executors, administrators and assigns, party of the **SECOND PART**.

WHEREAS, the All India Council for Technical Education has initiated a scheme to provide competency based skills under the National Skill Qualification Framework (Here in after to be referred as NSQF)

WHEREAS, in terms of the said scheme launched by All India Council for Technical Education, AICTE has extended invitation to various Institutions/Organizations to join as Vocational Educational Institutions to provide education component and Skill Knowledge Providers to provide Competency Based Skills.

WHEREAS under the scheme a Skill Knowledge Provider is required to perform the role and function of providing hands on skill training in a specific sector i.e. in the Automobiles Sector, Skill Knowledge Provider shall be the service centre of authorized automobile manufacturers located preferably all over the Country or in the IT Sector, the Skill Knowledge Provider shall be the training sector of authorized IT Company located preferably all over the Country. The Skill Knowledge Provider could also be one who is established for imparting hands on skills or training in a respective sector;

WHEREAS the First Party is to participate as an Institution to register students under the National Skill Qualification Framework (NSQF);

WHEREAS the Second Party has expressed its keen interest and desire to be a key Partner in the execution of the National Vocational Educational Qualification Framework in terms of the objectives of the scheme and policy as highlighted and specified in the said framework and particularly in view of the desire and interest of **VLSI Mentors** to join and Partner with **J.N.N Institute of Engineering (Autonomous)** in providing competency based skills through its centres which shall act as Skill Knowledge Provider for the purposes of the scheme;

WHEREAS Both parties have held discussions and agreed for collaboration for conducting Vocational Education Programme(s) under the education scheme of the

NSQF, where by J.N.N Institute of Engineering (Autonomous) will impart and award credits for the "Academic" content" of the Curriculum and VLSI Mentors will provide skill training through its training centres called VLSI Mentors and will impart and award credits for such 'Skill oriented training' content of the Curriculum to the registered students.

WHEREAS The Second Party has registered itself with the All India Council for Technical Education (AICTE)/ Concerned Authority and obtained approval thereof to participate as VLSI Mentors under the National Skill Qualification Framework (NSQF);

THEREFORE, both the parties hereby agree to conduct Vocational Educational Programme initiated by AICTE under NSQF, on the following terms and conditions:

1. The VLSI Mentors agrees that centres approved and recognized by VLSI Mentors, shall act and perform the role of Skill Knowledge Provider to provide hands on skill training in specific sectors such as VLSI -Physical Design.
2. The VLSI Mentors agrees and undertakes that its VLSI Mentors shall register with AICTE for conduct of training modules under the Vocational Stream and shall perform following functions:
 - a. Announce the schedule of module for the calendar year.
 - b. Register students for the modules.
 - c. Conduct the modular training.
 - d. Conduct examination/evaluate the student, award the grade indicating the Level of skill acquired.
 - e. The VLSI Mentors shall register students for evaluation the Skill Modules, who have acquired skills on their own.
3. The Second Party agrees that the following responsibilities shall be undertaken by the J.N.N Institute of Engineering (Autonomous):
 - a. The J.N.N Institute of Engineering (Autonomous) shall plan the Vocational Education Programme(s) to be offered in the Academic Year concerned and inform the VLSI Mentors about the same at least two months prior to the date of commencement of the Programme (s).
 - b. The J.N.N Institute of Engineering (Autonomous) shall announce and inform through its prospectus and information on its Web site, the Vocational Education Programme(s) it plans to offer in the Academic Year concerned for the information of the prospective students and invite applications for admission from interested candidates at least two months

prior to the date of commencement of the Programme(s).

- c. The **J.N.N Institute of Engineering (Autonomous)** Academic Centre shall follow the admission norms of AICTE and the State Govt. concerned. The admission shall be made strictly on the merits. The **J.N.N Institute of Engineering (Autonomous)** will then upload the names and details of the selected students on AICTE Web-Portal.
- d. The **J.N.N Institute of Engineering (Autonomous)** will have their right to collect Fee from the students towards:
 - Registration
 - Course/ Skill conduct
 - Evaluation of the Academic/ Skill portion of each Level of the Programme. A portion of the Fee as agreed upon by the **J.N.N Institute of Engineering (Autonomous)** and the **VLSI Mentors** shall be turned over to the **VLSI Mentors**.
- e. The **J.N.N Institute of Engineering (Autonomous)** will send to the **VLSI Mentors** the Level- wise and Sector-wise lists of students registered for Vocational Education Programme(s) in the Sectors.
- f. The **J.N.N Institute of Engineering (Autonomous)** will conduct appropriate Classes for the Academic content of the Curriculum of the Vocational Education Programme(s) so as to complete the Academic portion within prescribed time.
- g. The **J.N.N Institute of Engineering (Autonomous)** will conduct final examinations and evaluate the students for the Academic portion of the Programme(s) as per the rules and regulations of the Technical Board or University as the case may be.
- h. After receiving a 'Statement of Credits for the Vocational/Skill portion of the students from the **VLSI Mentors**, the **J.N.N Institute of Engineering (Autonomous)** will send the combined Academic and Vocational/Skill portion credits of the students to the Technical Board or University as the case may be.
